The screenshot shows the 'University of Regensburg Publications' website. At the top, there is a search bar and navigation links for 'SEARCH', 'CONTACT', and 'IMPRINT'. Below this, the 'University of Regensburg Publications' header includes 'Home', 'Browse', 'Search', 'Help', and a language selector for 'Deutsch'. A blue banner for the 'Fakultät für Physik' is visible, with a search bar and navigation links for 'Home Physik' and 'Forschung'. Below the banner, there are tabs for 'Aktuelles', 'Forschung', 'Studium', and 'Service'. The main content area displays search results for 'local perturbations' and lists several publications. A blue arrow points to the first result, which is 'local perturbations: microwave...'. The list of publications includes:

➤ Suggestion and autocompletion

The screenshot shows the 'University of Regensburg Publications' interface. The user is logged in as Dr. Gernot Deinzer. The page title is 'Edit item: Article #20002'. Below the title, there is a navigation bar with buttons for 'Type', 'Details', 'Status', 'Institutional Affiliation', 'Dewey Decimal Classification', 'Upload', and 'Deposit'. The 'Details' button is selected. Below the navigation bar, there is a section for 'Creators' with a table of suggestions. The table has columns for 'Family Name', 'Given Name / Initials', 'NDS Shortname', and 'email'. The suggestions are as follows:

	Family Name	Given Name / Initials	NDS Shortname	email
