PRISMA-S checklist according to Rethlefsen et al. (2021)

Section/topic	#	Checklist item	Location(s) reported
INFORMATION SOURCES AND METHODS			
Database name	1	Name each individual database searched, stating the platform for each.	Methods - Information sources and search strategy
Multi-database searching	2	If databases were searched simultaneously on a single platform, state the name of the platform, listing all of the databases searched.	Supplementary file 1
Study registries	3	List any study registries searched.	No study registries were searched
Online resources and browsing	4	Describe any online or print source purposefully searched or browsed (e.g., tables of contents, print conference proceedings, web sites), and how this was done.	Methods - Information sources and search strategy
Citation searching	5	Indicate whether cited references or citing references were examined, and describe any methods used for locating cited/citing references (e.g., browsing reference lists, using a citation index, setting up email alerts for references citing included studies).	Methods - Information sources and search strategy
Contacts	6	Indicate whether additional studies or data were sought by contacting authors, experts, manufacturers, or others.	No third parties were contacted for further information.
Other methods	7	Describe any additional information sources or search methods used.	No other methods/sources were used.
SEARCH STRATEGIES			
Full search strategies	8	Include the search strategies for each database and information source, copied and pasted exactly as run.	Supplementary file 1

Limits and restrictions	9	Specify that no limits were used, or describe any limits or restrictions applied to a search (e.g., date or time period, language, study design) and provide justification for their use.	Methods - Information sources and search strategy
Search filters	10	Indicate whether published search filters were used (as originally designed or modified), and if so, cite the filter(s) used.	Methods - Information sources and search strategy
Prior work	11	Indicate when search strategies from other literature reviews were adapted or reused for a substantive part or all of the search, citing the previous review(s).	No previous work was adapted/reused.
Updates	12	Report the methods used to update the search(es) (e.g., rerunning searches, email alerts).	Not applicable.
Dates of searches	13	For each search strategy, provide the date when the last search occurred.	Methods - Information sources and search strategy; Supplementary file 1

PEER REVIEW

Peer review	14	Describe any search peer review process.	Methods - Information sources and search strategy

MANAGING RECORDS

Total Records	15	Document the total number of records identified from each database and other information sources.	Figure 1; Results - Included studies; Supplementary file 1
Deduplication	16	Describe the processes and any software used to deduplicate records from multiple database searches and other information sources.	Methods - Information sources and search strategy
